The Beauty of America

"I swing before your eyes as a bright gleam of color, a symbol of yourself, the pictured suggestion of that big thing which makes this nation. My stars and my stripes are your dream and your labors. They are bright with cheer, brilliant with courage, firm with faith, because you have made them so out of your hearts."

Foreword

Once again the Staff has the problem of expressing themselves appropriately in the form of a foreword. First of all, we must ask ourselves "What is a foreword?" According to the dictionary, a foreword is "an explanatory note at the beginning of a book." Therefore, we will attempt to fulfill this definition.

A yearbook means different things to every individual. Some people think of a yearbook as a picture album, others, an autograph book; still others, a reference book. Actually a yearbook is all three of these.

Unfortunately, there are many students whom we might compare with Columbus when he discovered the New World. They start out not knowing where they are going; upon arriving, they still do not know for certain where they are; and upon looking back, they are not positive where they have been.

A yearbook can be used to remedy this. It can be used to plan future endeavors, to tell what is happening at the present time, and to tell very definitely what has happened in the past.

Your yearbook is a product of much worry, work, and argument--and a great deal of fun, all combined. We hope that you will treasure it and the memories it preserves in your hearts and minds of the school year of 1961-1962.

Thus, with great pride we present the 1961-1962 edition of the GLACIER.

In Dedication . . .

Miss Mary Stanfield

We, the annual staff, in compiling all the material that must go into the year-book, have one problem that stands out among all the rest--that of the dedication.

This must not be taken lightly for we feel that the receiver of this honor should be a deserving person who strives to improve the students and whose untiring efforts are directed toward making them better citizens.

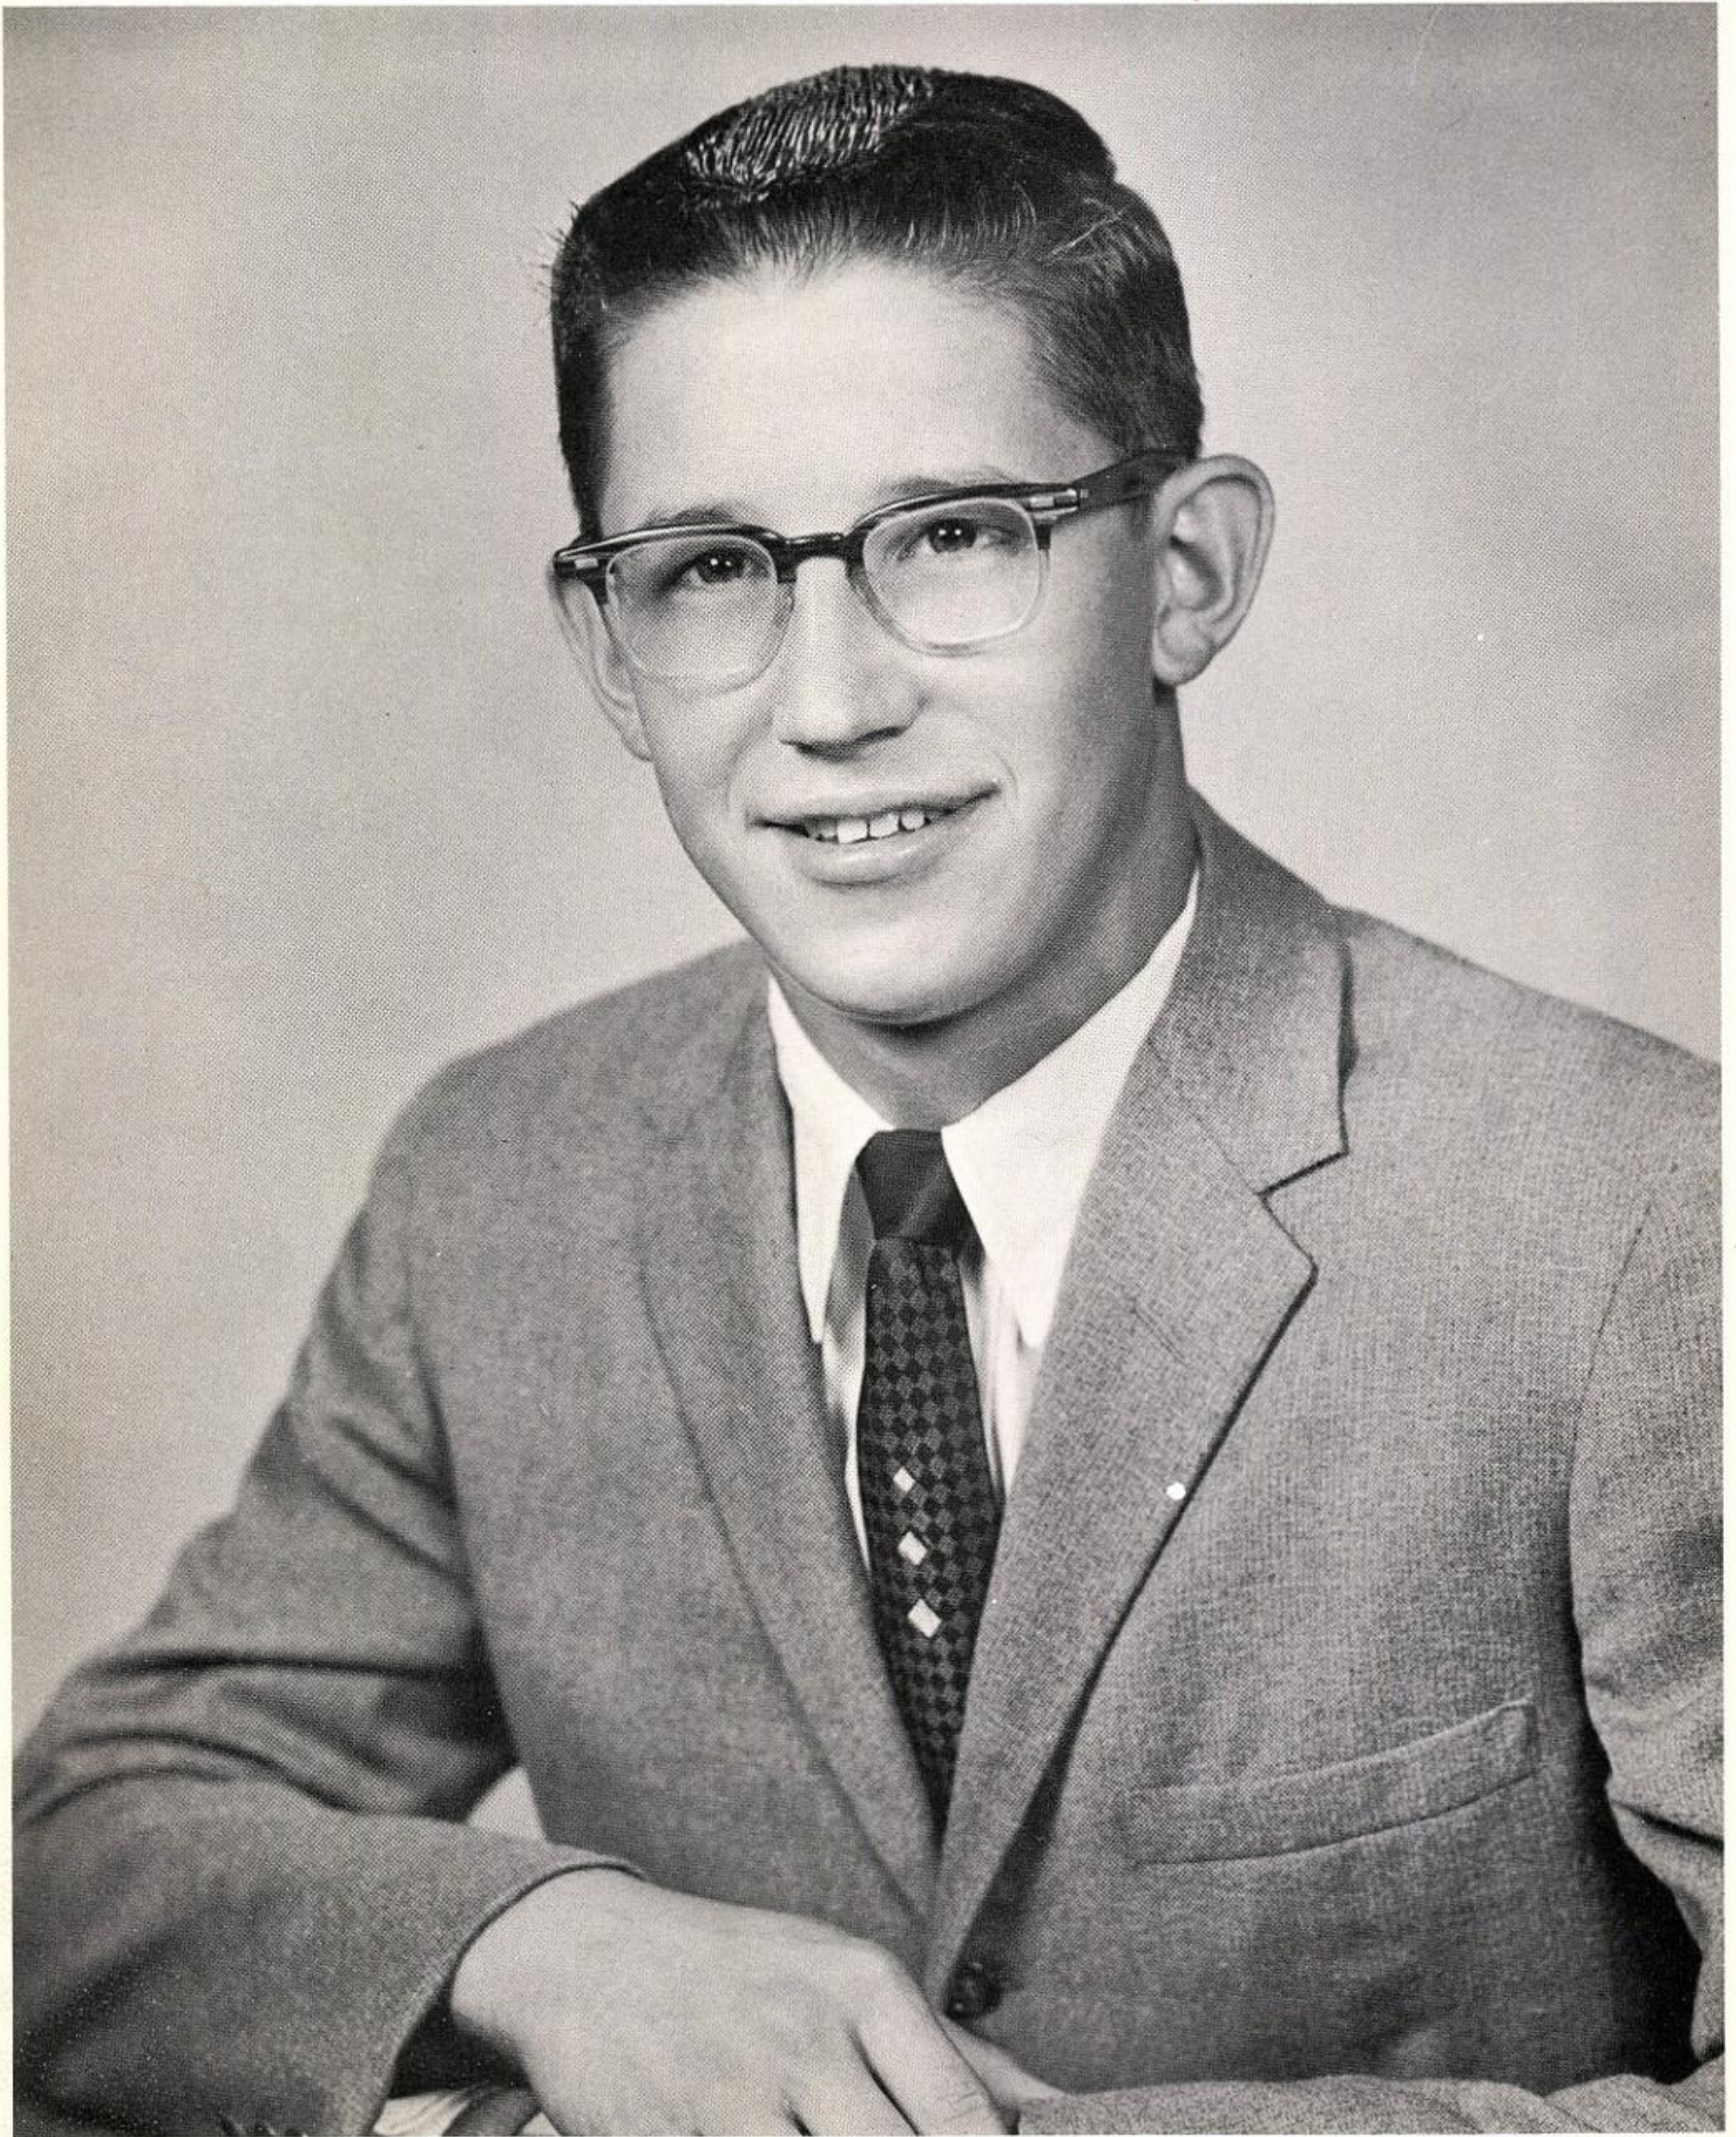

We feel that this dedication will show the admiration and respect not only of the annual staff, but also that of everyone who knows and works with this person.

With sincere appreciation for the work she has done in the Winters school system, we respectfully dedicate the 1961-1962 GLACIER to

TO THE CLASS OF '62:

It is my personal pleasure and privilege to congratulate this class upon the successful completion of another school year. The cooperation, the ambitions, the enthusiasm and responsibilities required for this successful completion of your public school life are attributes that will also be useful in adult life.

In order to meet the challenge of life in your time, I hope you will continue to develop physically, mentally, socially, economically, morally and spiritually. This has been the philosophy of the Winters Schools and I sincerely hope it will become yours individually and that you will make a positive contribution to our American way of life.

Sincerely,

James B. Newton

Principal

A yearbook provides a permanent record of the activities and achievements of students during a school year. In future years your review of these experiences will provide for a richer appreciation and will refresh your memories of the joys and satisfactions you have had during the school year 1961-1962.

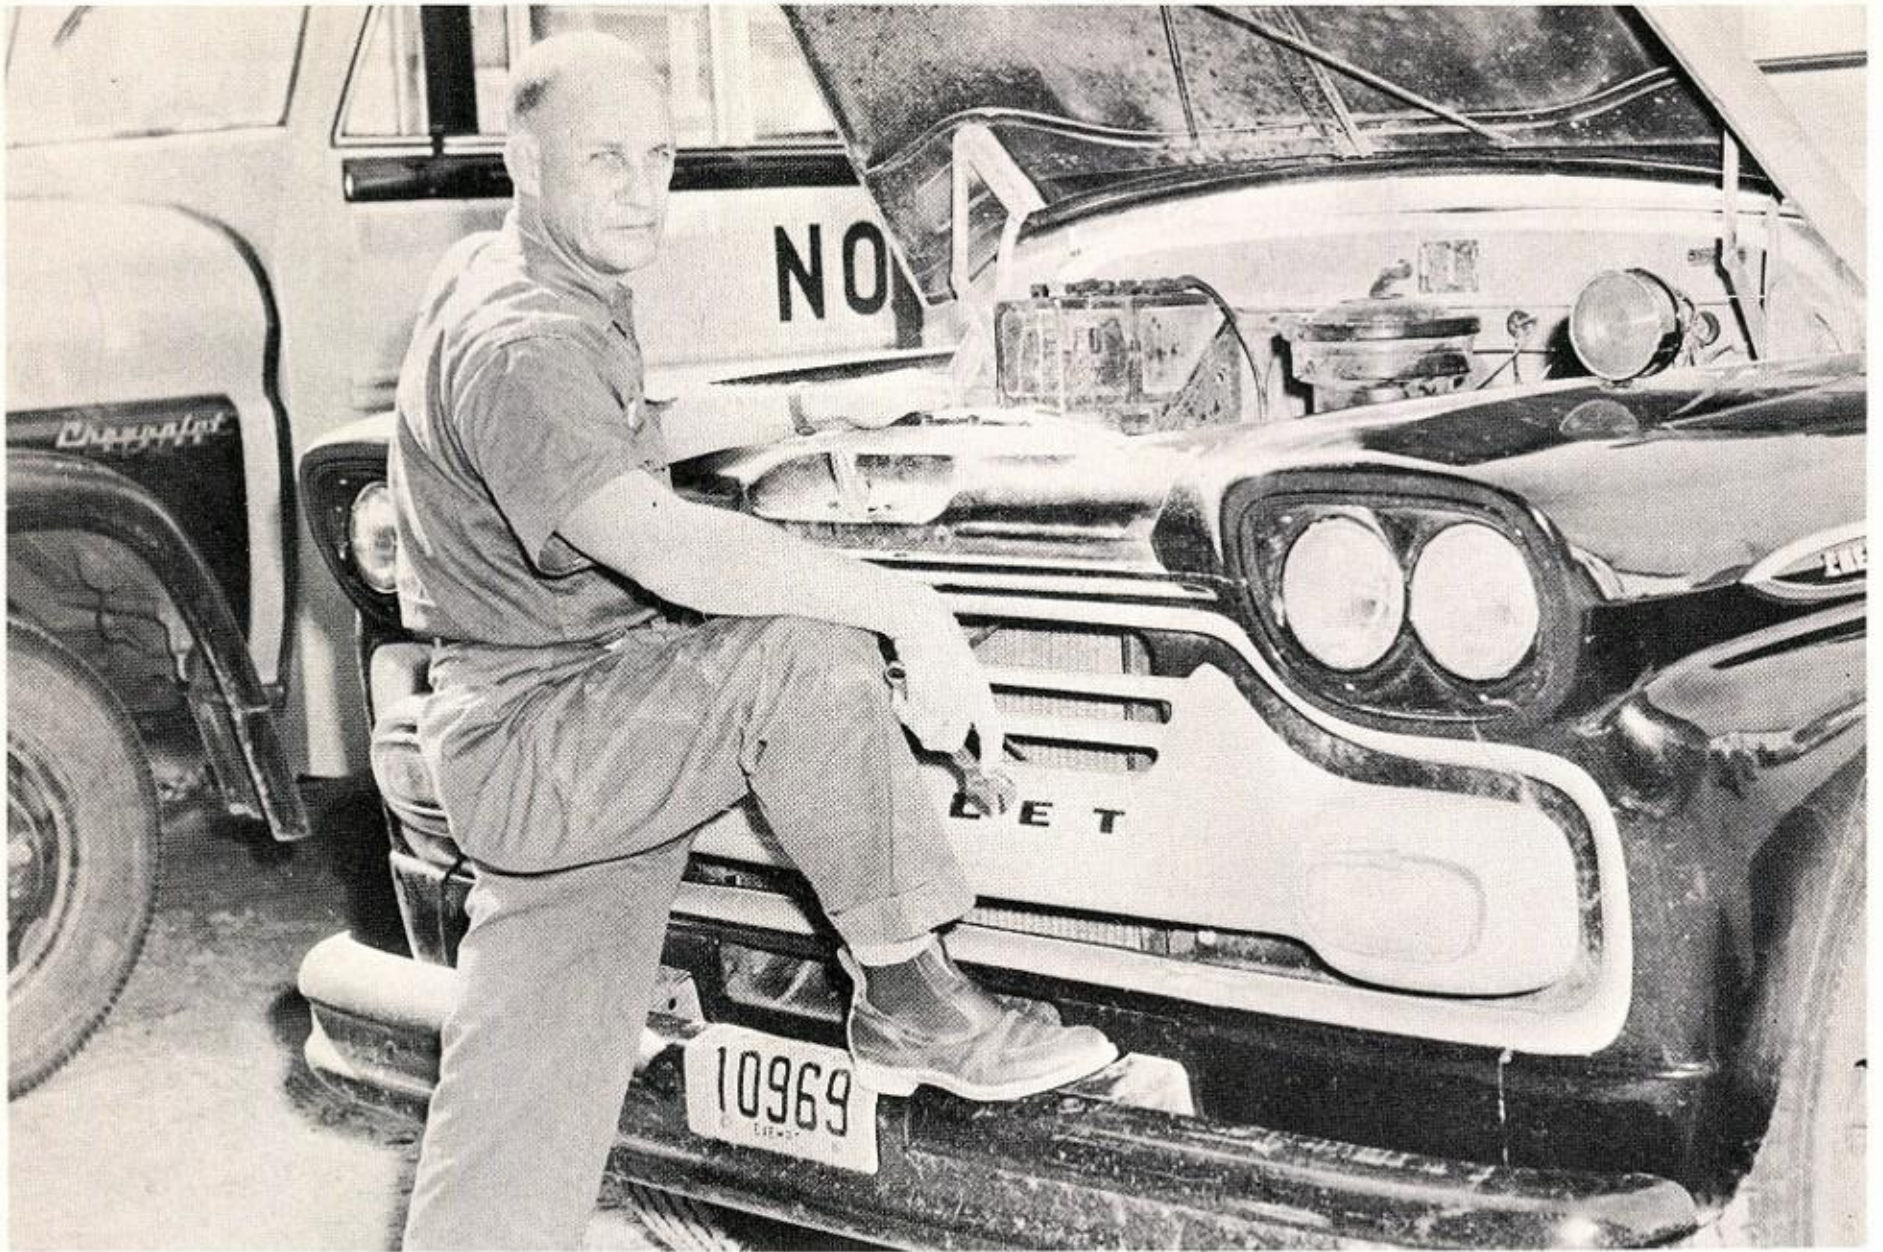

May I congratulate you on being the choicest student body I have ever closely observed. Problems have been reduced to a minimum because of your extraordinary cooperation and superb attitude.

It has been a privilege and pleasure to serve you as principal and to be a part of Winters High School. May I wish each of you success, happiness and prosperity in your future endeavors.

Sincerely,

Robert J. Krustian

Transportation

We thank Mr. Rose and the bus drivers for the wonderful job they have done for the school this year.

RUN-OFF CANDIDATES

The Glacier Queen election this year was the most hotly contested event in the history of the elections. As a result of the intense participation and enthusiasm shown, a run-off between the Freshmen and Sophomore candidates was necessary. A second vote was called and Deanna was elected Queen.

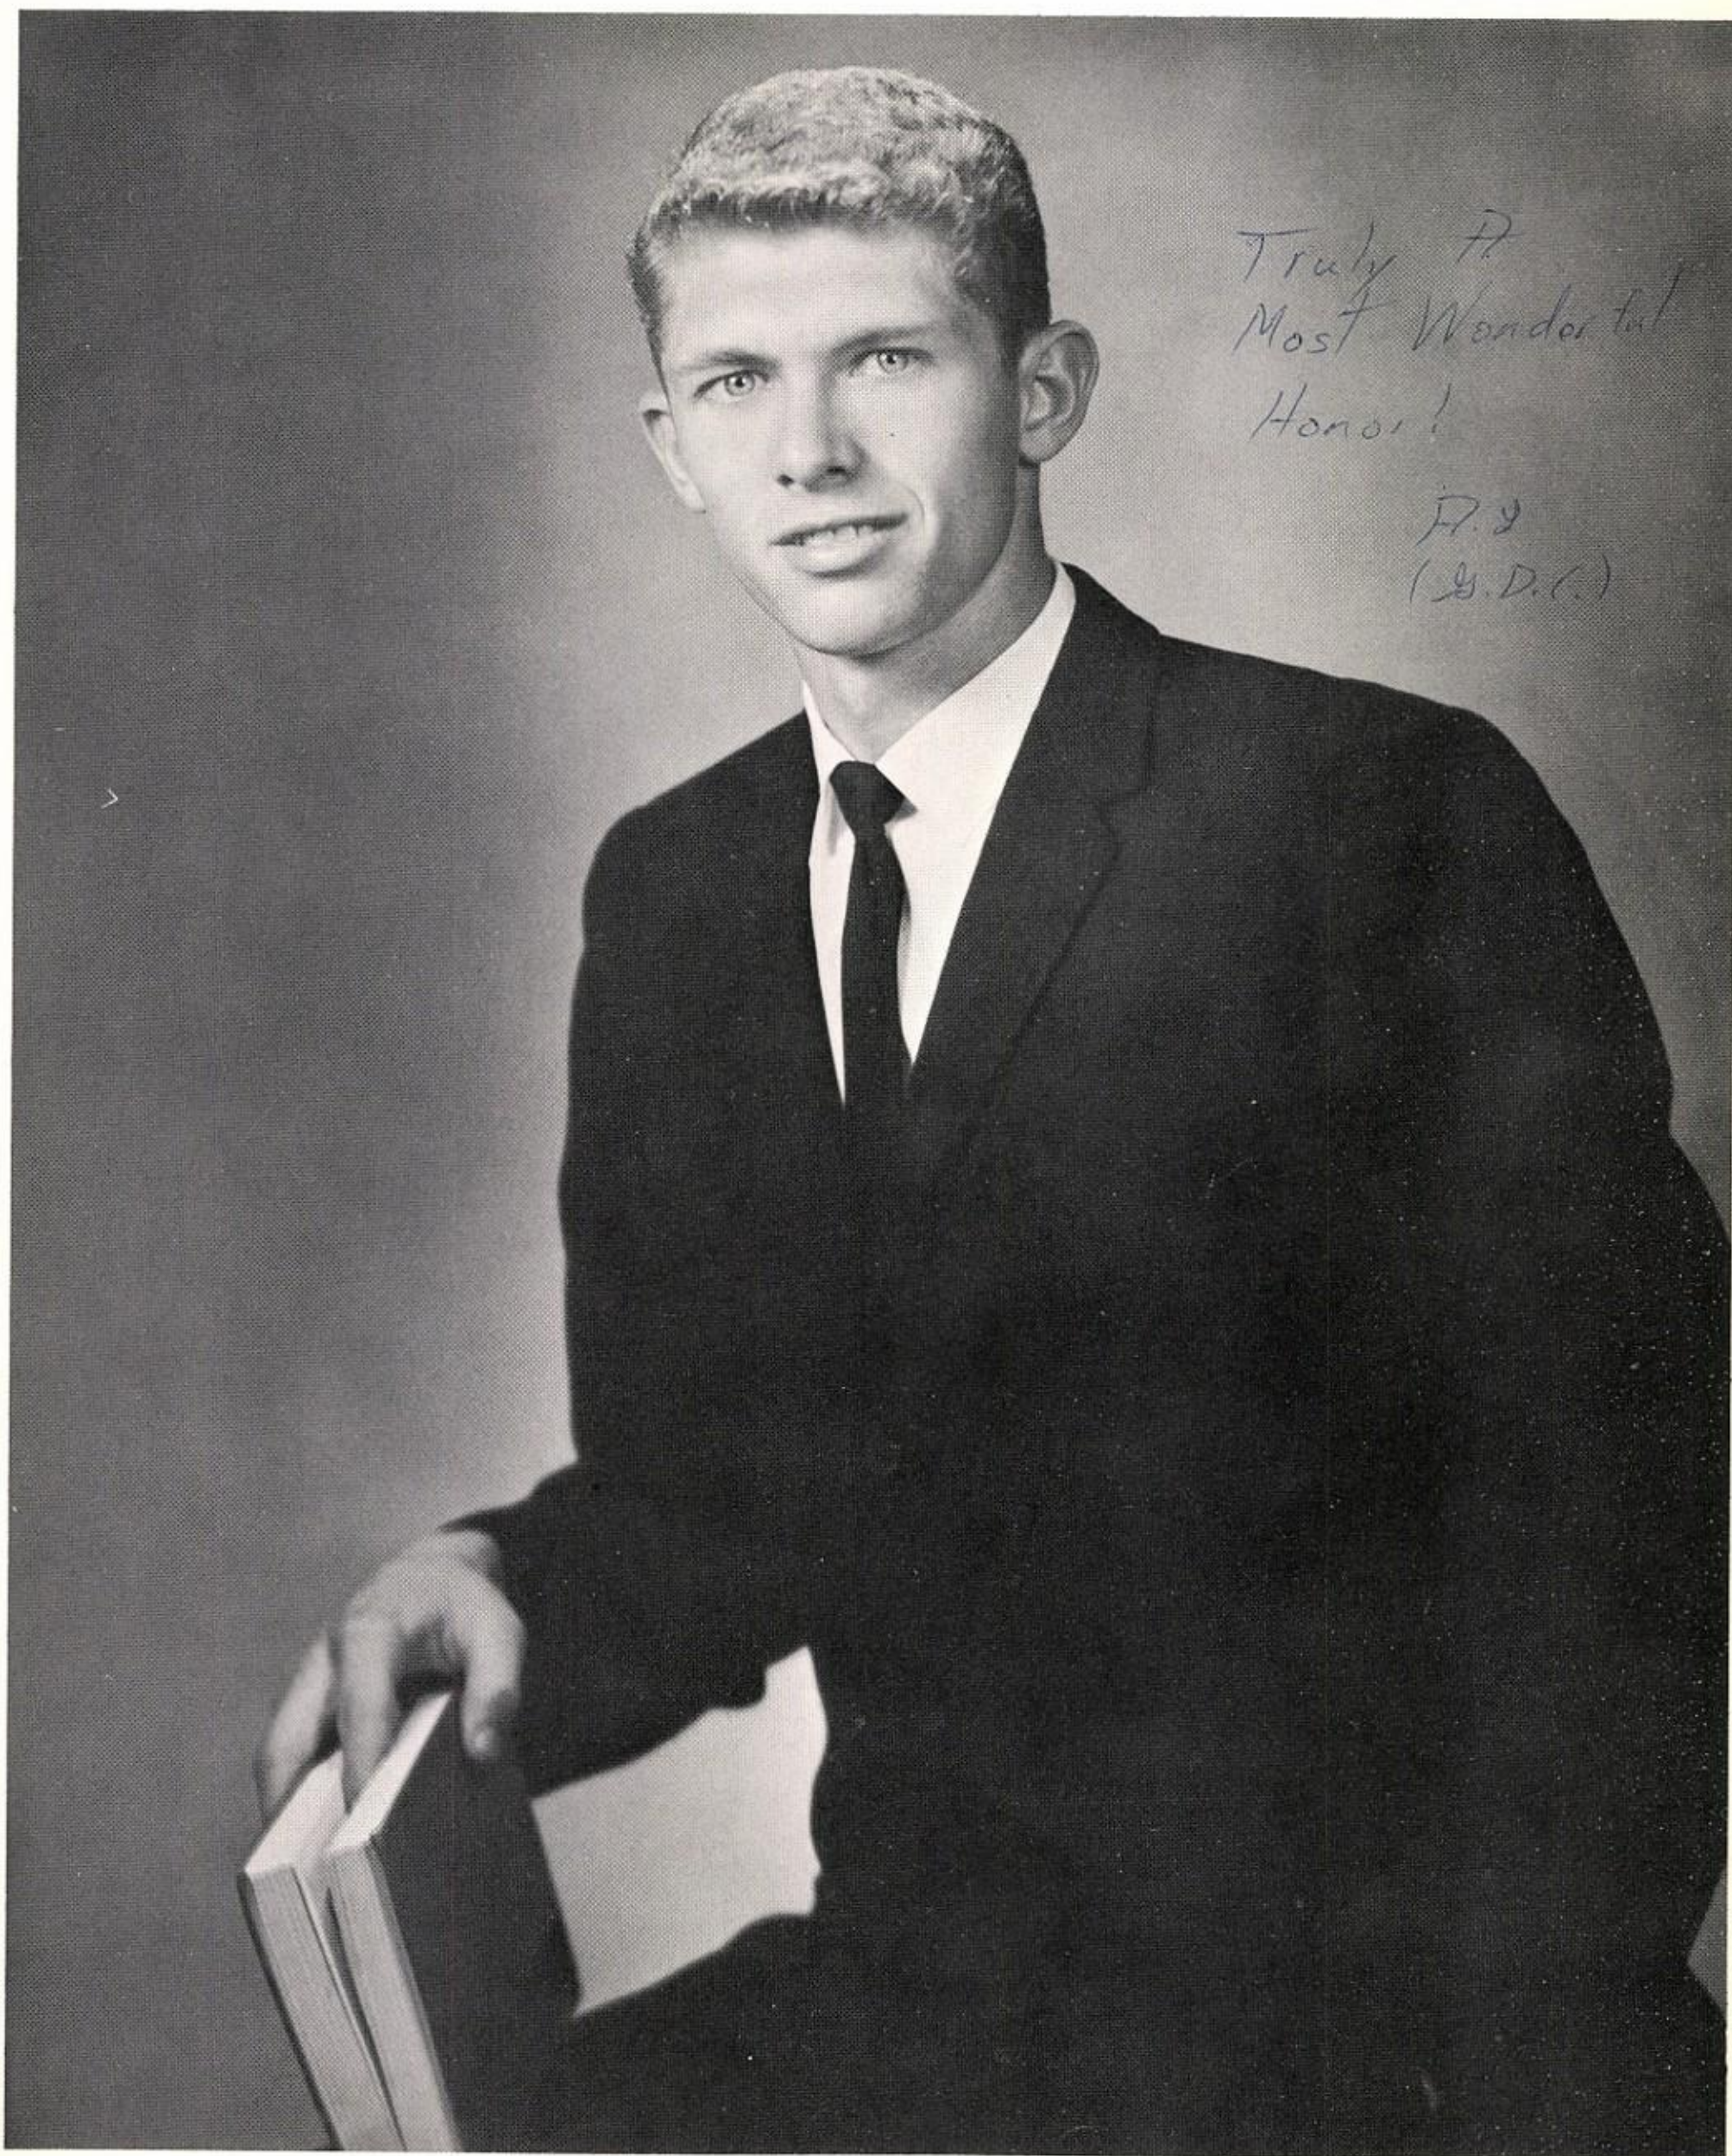

Deanna is a Sno-flake, a member of the Blizzard Band, a member of the girls' choir and plays forward on the girls' basketball team. She is certainly worthy of this honor.

Glacier Staff

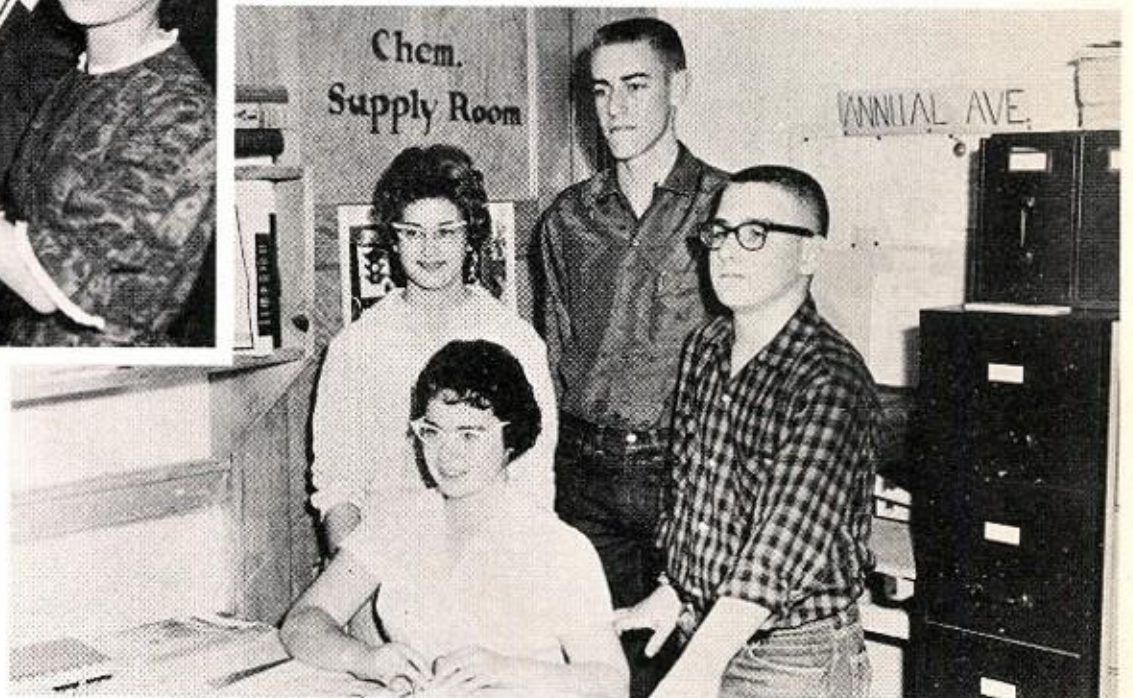

Once again annual staff members must begin making decisions about the cover, theme, layout, and dedication. The first thing that comes to our minds is how to change and improve this year's annual. Our foremost objective is to produce an annual that will be a satisfactory record of the school year.

We are always grateful to Mr. Middleton. His guiding hand is certainly a great help in solving our problems.

As we each contribute our part, the annual gradually emerges. Then there is the impatient waiting for the finished yearbooks to arrive. When they do, we are proud to present the 1961-1962 GLACIER.

We graduating members have certainly had a wonderful experience in publishing GLACIERS for Winters High School.

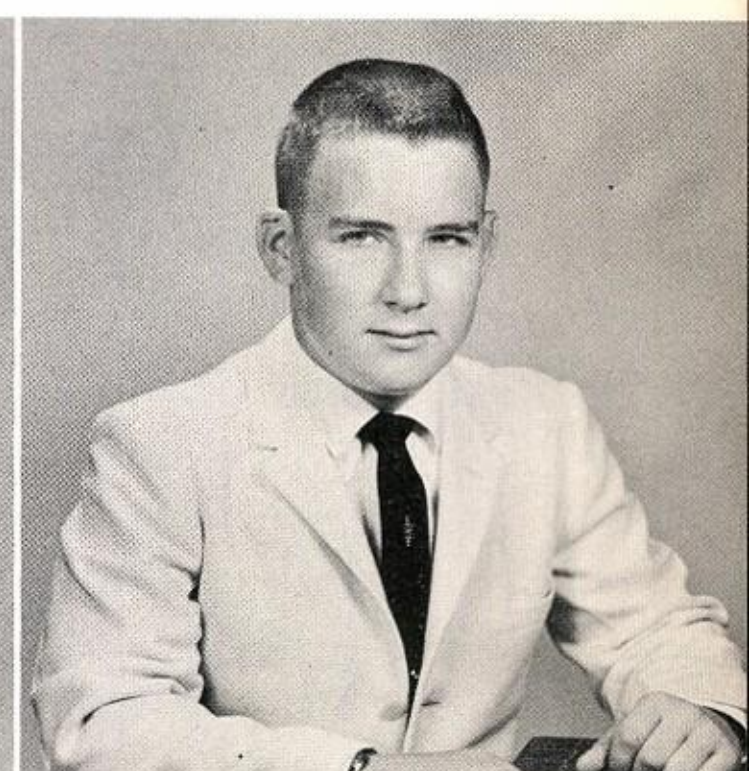

The undergraduates of the staff show the highest capabilities of carrying on the work of the staff in the future.

These five cheerleaders worked hard backing the Blizzards; they displayed outstanding pep and energy throughout the year.

Winters High School Choir

The girls' choir, under the fine leadership of Mr. Gans, has presented many beautiful and inspiring numbers at their programs.

Barbara Bolden, soloist for the choir and Sno-Flakes for four years, has delighted everyone with her renditions of popular and spiritual songs. This is Barbara's last year in the choir, and we would like to thank her for the many hours of hard work she has spent in behalf of the choir and the student body.

Andy
You are a very sweet boy

I have enjoyed being in English
class with you this year and I
hope that I am in more of your
classes next year. You were a good

Dear Andy,

I have only known you
for a couple of weeks but
in that short time I
have come to like you
a great deal. I think that
you, Juan, Jackie, and Gary
are a lot of fun to be with.
I can't ^{think} of anything to write
but I'm going to try to
fill up the page before I
start having to write
lies. I wish I could tell
you that you are handsome,
smart, and a lot of
fun to be with. But
I don't think I will.
Because your head is
going to get so big
that you won't be
able to get in Marcello's
car. (O O O O O)

I really do like you alot
because you're real sweet
and really do have alot
of manners for a boy.

And that's unusual.

I think you will ~~you~~
~~will~~ go far in this
world if you will
just finish High School
and work real hard.

Maybe I can get in a
Study hall or something
with next year. Oh, I
hope not!

Best wishes through the
years.

Love ya

Dear Andy,
I have certainly
enjoyed these past years

wonder if we really will. It's
kind of hard to tell. I would like to
wish you the very best of luck in every-
thing you undertake. May God richly bless
you Best of luck from a friend.

Keep up the good work and you

and use it wisely!
